

BOARD MEETING DATE: April 4, 2014

AGENDA NO. 3

**PROPOSAL:** Approve Truck Projects under “Year 4” Proposition 1B-Goods Movement Program

**SYNOPSIS:** On August 26, 2013, a Program Announcement was issued to solicit truck replacement projects under the “Year 4” Proposition 1B-Goods Movement Program. This was a two-phased solicitation with closing dates of October 10 and December 12, 2013. At its February 7, 2014 meeting, the Board approved truck projects for the first phase of the solicitation in the amount of \$65,542,416, as specified in SCAQMD’s grant agreement with CARB. The same grant agreement allocates a minimum of \$11,809,524 for the second phase of the solicitation, with the intent to prioritize and help applicants with small fleets of three or fewer trucks. This action is to execute contracts for heavy-duty diesel truck projects in an amount not to exceed \$11,809,524, in addition to any unused funds from the first phase of the program, from the Proposition 1B-Goods Movement Program Fund (81).

**COMMITTEE:** No Committee Review

**RECOMMENDED ACTION:**

Authorize the Executive Officer to execute contracts for heavy-duty diesel truck projects from the list in Table 1, subject to CARB’s final approval, in an amount not to exceed \$11,809,524 as set aside for the second phase of “Year 4” Proposition 1B truck projects, in addition to any unused funds from the first phase of the program, from the Proposition 1B-Goods Movement Program Fund (81).

Barry R. Wallerstein, D.Env.  
Executive Officer

## **Background**

On February 7, 2014, the Board recognized \$81,219,537 from CARB designated for heavy-duty diesel truck projects, as part of the “Year 4” Proposition 1B-Goods Movement Program. From the \$77,351,940 in project funds, CARB allocated a maximum of \$65,542,416 to the first phase and a minimum of \$11,809,524 to the second phase, with the intent to prioritize and help applicants with small fleets of three or fewer trucks in the second phase.

On August 26, 2013, as coordinated between CARB and the participating air districts in the Proposition 1B-Goods Movement Program, SCAQMD released Program Announcement #PA2014-06 to solicit eligible heavy-duty diesel truck projects. The two-phased solicitation closed on October 10 and December 12, 2013, respectively. SCAQMD received an overwhelming response, including applications for about 2,400 individual truck projects under the first phase and about 1,600 under the second phase.

At its February 7, 2014 meeting, the Board approved truck projects under the first phase of the program. Staff has completed the evaluation and ranking of the truck applications under the second phase and has submitted them to CARB for their final compliance checks and approval.

## **Outreach**

Relative to the Proposition 1B-Goods Movement Program projects, and in accordance with SCAQMD’s Procurement Policy and Procedure, a public notice advertising the RFP/RFQ and inviting bids was published in the Los Angeles Times, the Orange County Register, the San Bernardino Sun, and Riverside County Press Enterprise newspapers to leverage the most cost-effective method of outreach to the South Coast Basin.

Additionally, potential bidders may have been notified utilizing SCAQMD’s own electronic listing of certified minority vendors. Notice of the RFP/RFQ has been e-mailed to the Black and Latino Legislative Caucuses and various minority chambers of commerce and business associations, and placed on the Internet at SCAQMD’s website (<http://www.aqmd.gov>). Information is also available on SCAQMD’s bidder’s 24-hour telephone message line (909) 396-2724.

## **Proposal**

This action is to approve heavy-duty diesel truck projects from the list in Table 1, subject to CARB’s final approval, in an amount not to exceed \$11,809,524 as set aside for the second phase of “Year 4” Proposition 1B truck projects, in addition to any unused funds from the first phase of the program, from the Proposition 1B-Goods Movement Program Fund (81).

**Benefits to SCAQMD**

The successful implementation of the truck projects will reduce NO<sub>x</sub>, PM and other pollutant emissions in a cost-effective and expeditious manner which will help achieve the goals of the AQMP. The new equipment/vehicles funded under this program are expected to operate for many years, which will provide long-term emission reduction benefits in the region.

**Resource Impacts**

On February 7, 2014, the Board recognized \$81,219,537 in revenue from CARB into SCAQMD's Proposition 1B-Goods Movement Program Fund (81), as part of the "Year 4" Proposition 1B-Goods Movement Program. Of this revenue, the second phase of the program included a minimum of \$11,809,524 for project funding. Funding for truck projects listed in Table 1 shall not exceed \$11,809,524, in addition to any unused funds from the first phase of "Year 4" Proposition 1B truck projects, from the Proposition 1B-Goods Movement Program Fund (81).

**ERRATA SHEET  
AGENDA NO. 3  
APRIL 4, 2014**

**Approve Truck Projects under “Year 4” Proposition 1B-  
Goods Movement Program**

The following trucks are being added to the list of eligible trucks as supporting documents and Campaign Contributions Disclosure (CCD) forms have been received:

<b>Project ID</b>	<b>Rank</b>	<b>Applicant Name</b>	<b>Project Type</b>	<b>Maximum Prop 1B Award</b>
1170-001-SS	1304	H&T TRUCKING	Replacement	\$ 40,000
1125-001-SS	1305	MURILLO'S TRUCKING	Replacement	\$ 40,000
1125-002-SS	1306	MURILLO'S TRUCKING	Replacement	\$ 40,000
1125-003-SS	1307	MURILLO'S TRUCKING	Replacement	\$ 40,000

The following eighty-seven (87) projects identified in the table below are hereby removed from this item of the Governing Board meeting, since the applicants did not submit their Campaign Contribution Forms or have decided not to go forward with their project(s). In case Campaign Contribution Forms are received, they will be recommended for Board’s consideration at its May 2, 2014 meeting.

<b>Project ID</b>	<b>Rank</b>	<b>Applicant Name</b>	<b>Project Type</b>	<b>Maximum Prop 1B Award</b>
