Mr. Harper:

Re: Notice of Determination – Final Negative Declaration for Petro-Diamond Terminal Company Marine Terminal Permit Modification Project, SCH No. 2007081072

Enclosed please find two copies of a Notice of Determination (NOD) for the above project, which is located in your county. The California Environmental Quality Act (CEQA) document for the proposed project was certified on July 25, 2008. Please record and post according to the provisions of CEQA. Enclosed is a check for \$50 to cover the handling fee for posting the NOD.

The NOD contained herein is for modified permits to operate for which the SCAQMD has prepared the Final Negative Declaration (ND). The SCAQMD has determined that the project, for which the Final ND was prepared, will have no impact on wildlife and the habitat upon which it depends. Therefore, the project is exempt from the Department of Fish and Game filing fee pursuant to Section 753.5 (a)(3), Title 14, CCR. The CEQA Filing Fee No Effect Determination Form that has been signed and approved by the Department of Fish and Game is attached.

Please confirm receipt of one copy and return to the undersigned. Self-addressed envelopes have been provided for your convenience. If you have any questions, you can call me at (909) 396-3054 or Barbara Radlein at (909) 396-2716.
