Ms. Morla:

Re: Notice of Determination – Addendum to the Final Subsequent Environmental Impact Report (SEIR) for the Ultramar Inc. CARB Phase 3 Project - SCH No. 200006113

Enclosed are two copies of a Notice of Determination (NOD) for the above project, which is located in Los Angeles County. The California Environmental Quality Act (CEQA) document for the project was certified on March 3, 2010. Please record and post according to the provisions of CEQA. Enclosed is a check for \$75 to cover the handling fee for posting the NOD.

The proposed project is an Addendum to the final Subsequent Environmental Impact Report (SEIR) for the Ultramar Inc. CARB Phase 3 Project (SCH No. 200006113), which was determined in August 30, 2002 to be exempt from the Department of Fish and Game filing fee pursuant to \$753.5(d), Title 14, California Code of Regulations (CCR) due to a *de minimus* impact on wildlife and the habitat upon which the wildlife depends. For your reference, a copy of the NOD dated August 2002, 2006, the Department of Fish and Game Environmental Filing Fee Cash Receipt stamped by your office, and the Certificate of Fee Exemption form are also included. The changes to the project for which this addendum was prepared will have no effect on biological resources. Based on the proposed modifications, only minor additions or changes are necessary to make the August 30, 2002 Final SEIR adequate for the proposed project. Therefore, when considering the effects of the proposed project, the SCAQMD has concluded that an Addendum to the August 30, 2002 Final SEIR is the appropriate document to be prepared in accordance with CEQA (CEQA Guidelines \$15164) in order to evaluate potential environmental impacts associated with the proposed project.

Please confirm receipt of one copy and return to the undersigned. Self addressed envelopes have been provided for your convenience. If you have any questions, you can call me at (909) 396-3054 or James Koizumi at (909) 396-3234.

Sincerely,

Steve Smith, Ph.D. Program Supervisor Office of Planning and Policy

NOTICE OF DETERMINATION To: County Clerk, Harnell Harper South Coast Air Quality Management District From: County of Los Angeles 21865 Copley Drive 12400 E. Imperial Hwy, Room 2001 Diamond Bar, California 91765 Norwalk, California 90650 FILING OF NOTICE OF DETERMINATION IN COMPLIANCE WITH SECTION 21152 OF SUBJECT: THE PUBLIC RESOURCES CODE **Project Title:** Addendum to the Final Subsequent EIR for the Ultramar Inc. CARB Phase 3 Project **SCH Number**: 2000061113 **Date Certified**: March 3, 2010 James Koizumi **Telephone Number**: (909) 396 - 3234 Contact Person: **Project Location**: The Olympic Tank Farm is located at 1220 N. Alameda Street, Wilmington, California. **Project Description**: Ultramar is proposing modifications to a previously approved project, which would consist of modifying three existing storage tanks and replace four existing storage tanks with four new storage tanks at the Olympic Tank Farm. The proposed project will comply with the SCAQMD best available control technology (BACT), as applicable, for control of volatile organic compounds (VOCs) emissions from storage tanks. The proposed project modifications also include new pumps at the Marine Terminal to pump crude and other heavy oils from the Marine Terminal directly to the Olympic Tank Farm and a new pipeline around the Marine Tank Farm.

This is to advise that the *South Coast Air Quality Management District* has approved the above described project and has made the following determinations regarding the above described project:

- 1. The proposed project will not have a significant adverse impact on the environment.
- 2. An Addendum to the August 2002 Final SEIR was prepared for this project pursuant to the provisions of CEQA.
- 3. Mitigation measures were not made a condition of the approval of this project.
- 4. A mitigation reporting or monitoring plan under PRC Section 21081.6 was not adopted for this project.
- 5. A Statement of Overriding Considerations was not required or adopted for this project because the potential environmental impacts were not significant.
- 6. Findings were not made pursuant to the provisions of CEQA.
