RE: Rule 317 Section 172(e) Fee Equivalency Account Reconciliation Reports

Dear Ms. Adams:

Pursuant to Rule 317(c)(5), please find attached South Coast AQMD Rule 317 Section 172(e) Fee Equivalency Account (FEA) reconciliation reports for Fee Assessment Years (FAY) 2015 through 2019. As documented in the reports, the reconciliation of verified and qualified credits with the source fee obligation (debits) for the South Coast Air Basin (SOCAB) demonstrates a net positive balance of remaining credits in each reporting year and the credit balances are significant and sufficient to demonstrate compliance for both the Annual Demonstration of Equivalency (ADE) pursuant to Rule 317(c)(3) and Annual Preliminary Demonstration of Equivalency (APDE) pursuant to Rule 317(c)(4).

If you have any questions on this matter, please contact Zorik Pirveysian, Planning and Rules Manager at (909) 396-2431.

Sincerely,

A handwritten signature in black ink that reads "Philip Fine".
